

E3 Connect Captium Data Hub User Setup

DEPARTMENT REGISTRATION

Let us know the department that is ready to access the Captium data hub and we'll set them up. Invite the department Captium Admin to register at <https://captiumconnect.com/captium-account-request>.

DEALER REGISTRATION

Send this completed form to your regional rep or email to firesafetytech@idexcorp.com. Each user will receive an email invitation to accept activation. The Dealer Admins will be required to accept Terms & Conditions for the Dealer the first time they log in. Admin users can invite and manage additional dealer users to access the Captium data hub.
